Copyright Transfer

The undersigned hereby assigns to the L&H Scientific Publishing, LLC all rights under copyright that may exist in and to the above Work, and any revised or expanded derivative works submitted to the L&H Scientific Publishing by the undersigned based on the Work. The undersigned hereby warrants that the Work is original and that he/she is the author of the Work; to the extent the Work incorporates text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions.

Author Responsibilities

The L&H Scientific Publishing wants to ensure that the material submitted to its publications is properly available to the readership of those publications. Authors must ensure that their Work meets the requirements of L&H Scientific Publishing Policy, including provisions covering originality, authorship, author responsibilities and author misconduct. It shall be acknowledged that statements and opinions given in work published by the L&H Scientific Publishing are the expression of the authors. Responsibility for the content of published papers rests upon the authors, not L&H Scientific Publishing.

General Terms

The undersigned represents that he/she has the power and authority to make and execute this assignment.

The undersigned agrees to indemnify and hold harmless the L&H Scientific Publishing from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.

In the event the above work is not accepted and published by the L&H Scientific Publishing or is withdrawn by the author(s) before acceptance by the L&H Scientific Publishing, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the L&H Scientific Publishing will be destroyed.

For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.
